## Overnight Dhow trip

Saturday, December 24th

We will leave the Marina and sail up the coast for one hour into the calm waters of Banda al Khran, you have the opportunity to take a swim in the ocean, before we have a relaxed dinner. The food will be traditional Omani, Salad, rice fish, meat, with yogurt and bread, fruits, tea and coffee on the go all the time.

The atmosphere on the dhow is magical, rocked gently, with sound of water lapping, and the odd fish jumping, woken softly by sun rise. Crew will have the water boiled ready for the first cup as you relax and soak it all in.

Take a swim, kayak, snorkel...breakfast is ongoing!

We restrict the trip to 16 people in order to give you plenty of space to walk around. The seats were designed to be a single bed.
